ATTORNEY BRIAN KERNS ACHIEVES RECERTIFICATION IN CIVIL TRIAL LAW WITH THE NATIONAL BOARD OF TRIAL ADVOCACY

Cleveland, Ohio – The National Board of Trial Advocacy (NBTA) is pleased to announce that Brian Kerns of the law firm, Bonezzi Switzer Polito & Perry has successfully achieved recertification as a civil trial advocate. The NBTA was formed out of a strong conviction that both the law profession and its clients would benefit from an organization designed specifically to create an objective set of standards illustrating an attorney’s experience and expertise in the practice of trial law.

Brian Kerns is a part of a growing number of trial attorneys that have illustrated their commitment to bettering the legal profession by successfully completing a rigorous application process and providing the consumer of legal services with an objective measure by which to choose qualified and experienced legal counsel.

The elaborate screening of credentials that all NBTA board certified attorneys must successfully complete includes: demonstration of substantial trial experience, submission of judicial and peer references to attest to their competence, attendance of continuing legal education courses and proof of good standing.

Board Certification is the highest, most stringent, and most reliable honor an attorney can achieve. Board certifications are the only distinctions awarded by non-profit organizations. The NBTA as well as all board certifying organizations are committed to safeguarding the public’s ability to choose a good attorney.

Brian Kerns earned his undergraduate degree in Journalism from Ohio University. He is a graduate of the University of Toledo College of Law. Mr. Kerns is licensed to practice in Ohio, and the United States Supreme Court.

Approximately three percent of American lawyers are board certified, and Mr. Kerns is a member of a very select group who has taken the time to prove competence in their specialty area and earn board certification.
